

BSC1010 Abortion survey

After listening to the class discussion of the progress of a human pregnancy, indicate where you would vote to have the government draw the line, after which an abortion would be considered murder and the mother could be prosecuted.

	1. the pill: stops ovulation	2. condom: stops fertilization	3. M.A. pill stops implantation	4. 3mo	5. 6mo fetus viable	6. Birth	7. 2 weeks old: decide after your sure is healthy

Give your scientific reason for drawing the line where you drew it above.
