

Quiz on overall view of photosynthesis and cellular respiration.

Match the following with the most appropriate label:

- \_\_\_\_\_ O<sub>2</sub>
- \_\_\_\_\_ CO<sub>2</sub>
- \_\_\_\_\_ H<sub>2</sub>O
- \_\_\_\_\_ C<sub>3</sub>H<sub>6</sub>O<sub>3</sub> (sugar)

Write the overall formula for photosynthesis.

→

Write the formula for the Light Reaction.

→

Write the formula for the Calvin Cycle.

→

Write the overall formula for cellular respiration.

→

Write the formula for Glycolysis.

→

Write the formula for Citric Acid Cycle (Krebs Cycle).

→

Write the formula for Oxidative Phosphorylation.

→
